Challenge

Being on your own is exciting, but a little frightening, too. You're in a great place to take your first steps towards a bright and confident future. State Farm has multiple products - Insurance, Banking, Investments, and Small Businesses.

We're here to help you "Live Life Confidently".

Given the dataset, can you come up with an Application, Visualization, Machine Learning Model, or anything you may want to learn, to help State Farm to get more people to "Live Life Confidently".

Research statefarm.com to read more about how State Farm helps you "Live Life Confidently" or come ask one of our State Farm representatives!
